

Observation and Assessment of Children's Behavior - 131EDHH06 - Summer 2013 (User report - Mukta Jain)

Grade item	Grade Percentage		Feedback
Week 1 Writing Assignment	5.00	100.00 %	This sounds great Mukta. Please make sure if you haven't already done so to read the Observation Guidelines in Week 1 as well as the Student Portfolio article. They will help you make sure you are documenting everything you need to. It's great to approach this project with a set of questions about a child, just make sure to maintain your objectivity during the observation process 😊
